KOŠICE FOOTBALL ACADEMY

Need for a high level football academy

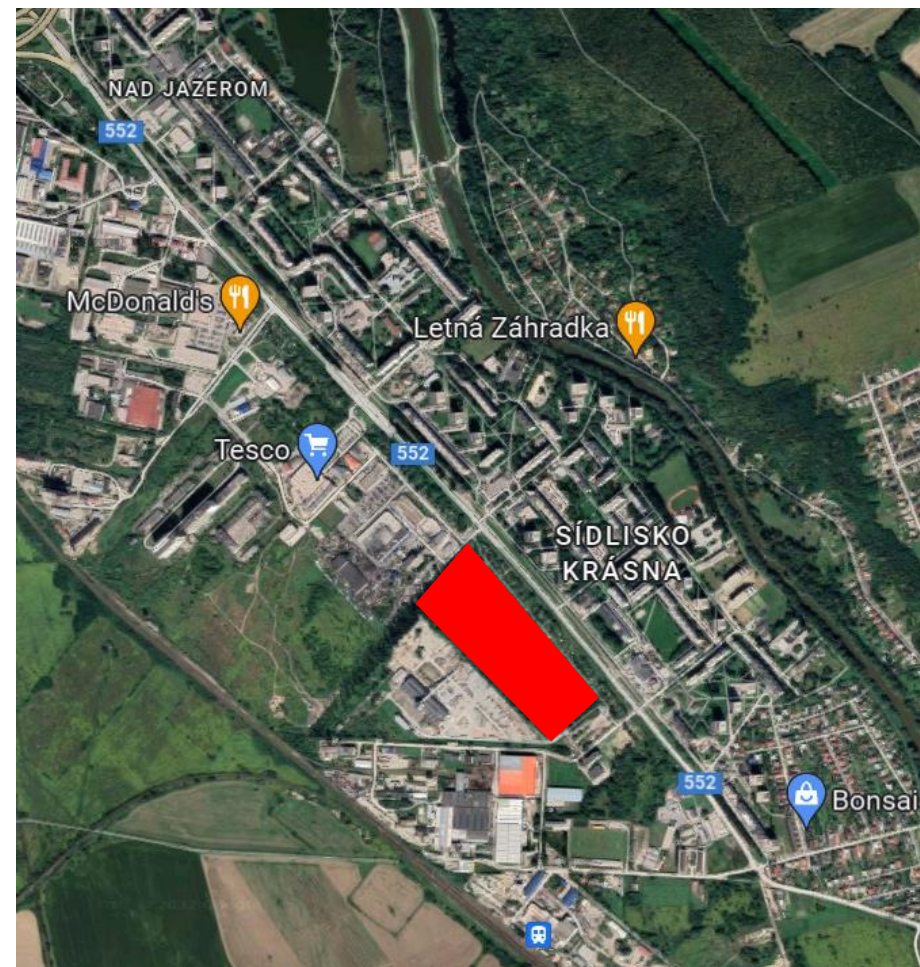

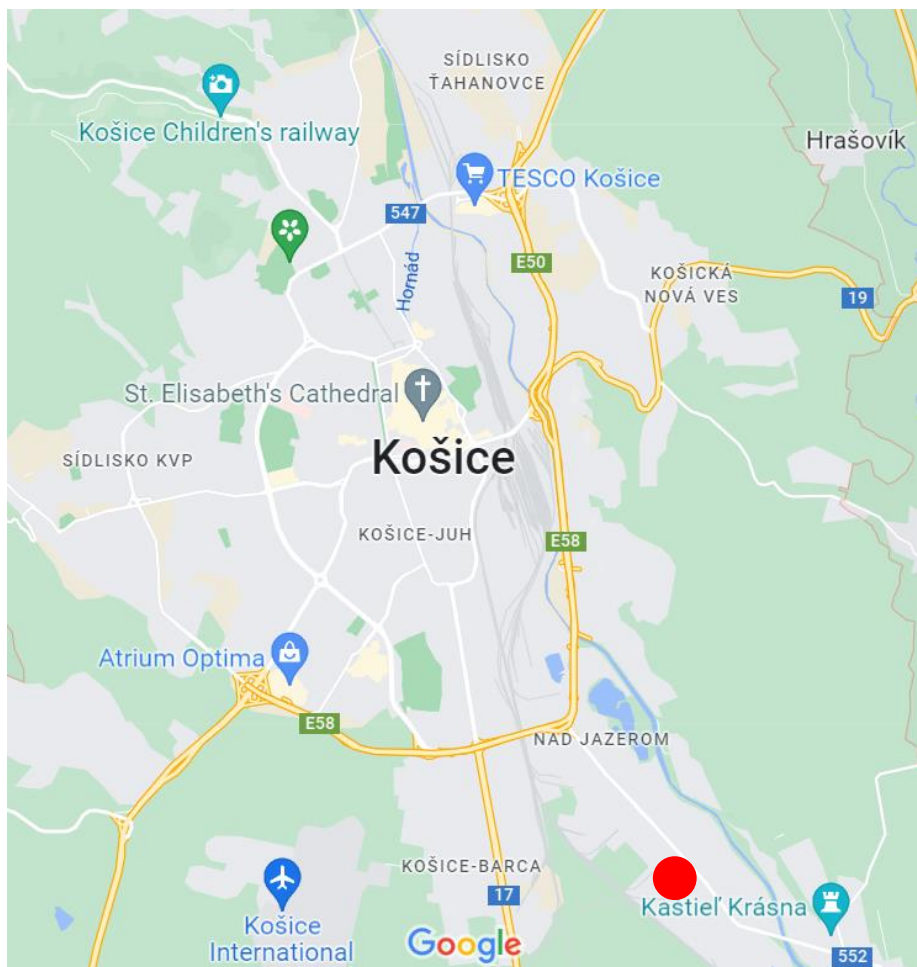

- Football has a very rich tradition in Košice, first football team founded in 1902
- Famous clubs like VSS, Lokomatíva, 1. FC Košice
 - Legendary players like Jan Kozák, Ladislav Józsa, Jaroslav Polák, Nemanja Matič, Ondrej Duda
- In 2018 local businessmen resurrected the local football as FC Košice
- Target is to play in the first league and in international cups
- To create a strong foundation the club has to rely on its youth system
- But at the moment the infrastructure is on a very low level
- A new high tech football academy is a must
